

**Tip of the month: March 2009**

**Travel to an English-speaking country to improve your English!**

Travelling is getting cheaper and cheaper. It is now easier to spend a weekend in an English-speaking country to practice your English. Also, due to the economic crisis, many hotels are cutting prices so accommodation has never been cheaper!

Here are some useful websites to plan your trip:

Ireland: <http://www.tourismireland.com/>

Britain: <http://www.visitbritain.com/>

Scotland: <http://www.visitscotland.com/>
